Consent to treat a minor child: I hereby authorize this office to administer chiropractic treatment as deemed necessary to my child.
Signed: **_____ (Parent / Legal Guardian)**

I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. Furthermore, **I understand** that this chiropractic office may prepare any necessary reports and forms to assist me in making collection from the insurance company and that any amount authorized to be paid directly to this office will be credited to my account on receipt. **I clearly understand and agree** that all services rendered to me are charged directly to me and that I am personally responsible for payment. **I also understand** that if I suspend or terminate my care and treatment, any fees for professional services rendered me will be immediately due and payable. **I agree** that all telephone numbers provided may be subject to receiving telephone calls from an automated dialer using a pre-recorded, artificial voice message or a live operator call. I give my prior express consent to receive such phone calls, including any calls made to my provided cellular telephone number.

Consent for Use or Disclosure of Health Information

Our Privacy Pledge

We are very concerned with protecting your privacy. While the law requires us to give you this disclosure, please understand that we will always respect the privacy or your health information. There are several circumstances in which we may have to use or disclose your health care information:

- We may have to disclose your health information to another health care provider or a hospital if it is necessary to refer you to them for the diagnosis, assessment, or treatment of your health condition.
- We may have to disclose your health information and billing records to another party if they are potentially responsible for the payment of your services.
- We may need to use your health information within our practice for quality control or other operational purposes.

We have a more complete notice that provides a detailed description of how your health information may be used or disclosed. You have the right to review that notice before you sign this consent form. We reserve the right to change our privacy practices as described in that notice. If we make a change to our privacy practices, we will notify you in writing when you come in for treatment or by mail. Please feel free to call us at any time for a copy of our privacy notices.

Your Right to Limit Uses or Disclosures

- You have the right to request that we do not disclose your health information to specific individuals, companies, or organizations.
- If you would like to place any restrictions on the use or disclosure of your health information, please let us know in writing.
- We are not required to agree to your restrictions. However, if we agree with your restrictions, that restriction is binding on us.

Your Right to Revoke Your Authorization

You may revoke your consent to us at any time; however, your revocation must be in writing. We will not be able to honor your revocation request if we have already released your health information. If you were required to give your authorization as a condition of obtaining insurance, the insurance company may have a right to your health information if they decide to contest any of your claims.

I have read this consent policy and agree to its terms.
